Mira Costa Band Students
help underprivileged kids
make music at their schools, too!**

Band Together is a club of concerned Mira Costa music students dedicated to helping fund music programs at underprivileged schools in Southern California. Last year, with your help, we raised more than \$7,600 to purchase and donate more than 30 new instruments, 15 cases, and music stands for Lennox Middle School. Lennox has some of the poorest families in our area, and most kids cannot afford instruments of their own. Now they are making music!

This year, our goal is to help students at another struggling school. You can help:
