Are you pulling your hair out trying to help your child learn to write? Learning to write well is one of the most difficult academic challenges your child will face during their school years. Becoming a good writer is a life long process and an important skill.

Join us for an evening of guidance on helping your child with the writing process and become familiar with Pennekamp's new writing program, "**Step Up to Writing.**" The Pennekamp PTA sent three teachers this year to writing workshops. These teachers have shared their knowledge with the entire PK teaching team. As a thank you to the PTA for providing this opportunity, Mrs. Curry has generously offered to conduct Pennekamp's first writing workshop for parents of children in grades 3-5.

Since this will be an interactive experience, we need to know how many parents will attend. Please RSVP using the form below and return via the Tuesday envelope. If you have questions, call PTA Co-President Beth Allen at 937-2949 or email her at president@pkpta.org. The workshop is for adults only, childcare will not be provided.
