Review of Minutes

Minutes of Feb 7, 2005 meetings were submitted and reviewed. Motioned for approval and seconded

School Accountability Report Card

School Year 2002-2003 Report Card was passed out. Report shows how our school compares on CST (California Standards Test) by subject, ethnic groups, subgroups (male/female) versus other schools in the district and the state. Report also compares the results of the NRT (Norm Reference Test) by the same above mentioned groups. The California fitness test for 5th graders in reported. The API (Academic Performance Index) shows the 3 year period for Pennekamp. Reports also include data on class size, teacher credentials, teacher salaries, services funded etc.

School Beautification report

Last Years 5th grade tile project will be held off until we hear the results of Pacific School case. The tiles are being checked to make sure they are appropriate.

March 19th – School Beautification Day. Seeds and letter will be sent home Thursday to encourage participation. The Tree People (non profit organization) will be helping in the project and sharing information with the children on the day of the event.

Garden Grant Project- No update on this yet. Kim Wilson and the School Beautification team will probably get involved with this next.

School Site Council Survey

Camm will work with Dale Keldrauk to create SSC Survey. These will be passed out prior to open house and also be available during open house. We will have some incentive for the kids to remind parents to return survey. The pencil was very successful last year

Budget

We still have not received the SIP Funds.

Meeting was adjourned at 4:05
